

Invitation

- Business Intelligence Breakfast -

« Gain insight into BI technologies »

- ✓ Understand main BI concepts (OLAP, ETL, datamart, dashboard solutions,...)
- ✓ Focus on the open source market
- ✓ Get an overview on BI solutions

Friday 26 February 2010 from 8.30am to 10.30am

270, avenue de Tervurenlaan – 1150 Brussels (VIP Room Tea & Eat)

– Free attendance and breakfast included –

Cockpit Group is an independent advisor, specialized in the definition, implementation and automation of key performance indicators (KPI's). We help companies to improve their performance by providing them measurement processes & tools, supporting them in their decision making process based on visual KPI's.

Companies like **Accor**, **Siemens**, **AGC Glass Europe** (ex-Glaverbel), **Chiquita**, **ORES...** and several SME's like **WIN**, **BIA**, **Curver**, **Cetrel**, **Design Board**, ... have trusted our approach to define and implement their decisional dashboard.

Registration (before 22nd of February)
Via email: Isabelle.servais@cockpit-group.com
